

Heartland Career Center

79 South 200 West
Wabash, IN 46992-8510

Parent/Guardian of Senior Cosmetology student,

We wanted to share some information with you to prepare you for the next two semesters of Cosmetology. Your daughter/son will have completed two semesters of Cosmetology at Heartland Career Center in 2024/2025 (Cosmetology I)

Cosmetology II requires the prerequisite of Cosmetology I. The emphasis will be directed toward the development of advanced skills in hair care, chemical services, skin and nail care, salon business and state laws. Much of this course is dedicated to reinforcing the Cosmetology I curriculum as well as building on the theory portion of licensure. In addition, the students spend a great deal of time in the student salon working on clients to improve their skills. The state of Indiana requires a total of 1500 hours of instruction for licensure. Internships may be available as students complete their hour requirements. Upon completion of course requirements students will be eligible to take their state board exam which will provide licensure for the student. Once a student is licensed they will be eligible to start employment in the industry.

Students will be required to stay until 5:30pm so transportation may be needed and a driving pass is required for any student driving themselves.

It is important that the final fee of \$325 be paid between July 1-18, 2025 to ensure your student's spot in the program. Other estimated fees that will be associated with the class will be:

- SkillsUSA membership \$20
- Class shirt \$25
- Chicago trip \$125-150
- State licensure \$45

These fees will be collected at different times throughout the year and not collected all at once. All fees are estimated and could change due to inflation.

Students will need to bring the first week of class:

- 3 containers of disinfectant wipes
- 1 box of gallon zip bags
- 3 pink highlighters
- 1 package of multicolored sharpies

Students will be given new paperwork to sign for the 25/26 school year in the first week of school.

I look forward to seeing your students on Monday August 11th at noon!

Sincerely,

Jennifer Camden
Sr. Cosmetology Instructor
