Dear Parent or Guardian,

Please see the first day of school list of basic class/lab requirements for students and plan on attending the parent meeting on Thursday, August 7 at 6:30 pm. Meeting will be in seminar rooms 7-8, at this time. An introduction and brief description of Class/Program expectations will be explained then. A short tour of the Diesel Service area will follow the meeting. Be sure to ask any questions you may have concerning the Diesel Service Program at the meeting.
